

Here is your Computer Science 'Plan' document, as a Computational Software major.

Fall 2023	Spring 2024	Summer 2024
-----	-----	-----
CSCI 240 MATH 230	CSCI 241 CSCI 330 MATH 232 PHYS 253	
Fall 2024	Spring 2025	Summer 2025
-----	-----	-----
CSCI 340 CSCI 401 MATH 240 STAT 300	CSCI 360 CSCI 466 General Elective Math Elective	CSCI 470 (1)
Fall 2025	Spring 2026	Summer 2026
-----	-----	-----
CSCI 463 CSCI 467 General Elective Math Elective	CSCI 473 (1) CSCI 480 General Elective General Elective	

Footnotes, as applicable:

- (1) May substitute another approved 300/400-level CSCI elective.
- (2) This course is in excess of the minimum requirements for a CSCI major.
- (3) Retake.
- (4) The Mobile Programming Certificate requires either CSCI 427 (Advanced iOS) in the Fall or CSCI 428 (Advanced Android) in the Spring. CSCI 427 hasn't been offered since ~2019 though...

Writing Infused and Human Diversity requirements can be satisfied by targeting enrollment into specific Knowledge Domain classes. So those classes in this Plan can be combined.

LEGAL STUFF: As a student at NIU, you are responsibility for monitoring your own graduation requirements, with the reasonable expectation that Advising Staff help whenever possible. It is never a bother to ask me the most important question of, 'Am I still on track to graduation?'
